### **KITAGAWA-NORTHTECH, INC. Expands Territory Coverage with the Addition of Gene Gregory**

Schaumburg, IL – April 8, 2011 – KITAGAWA-NORTHTECH, INC. hires Gene Gregory as the new Territory Manager for Indiana, Ohio, Kentucky, Virginia and West Virginia.

Gregory brings over 12 years experience of territory sales and management in the manufacturing industry. His expertise is extensive in wood and metal machinery processes and also provides a unique extension of his history as an Analytical Chemist. Gregory holds a B. S. in Molecular Biology with a Chemistry Minor from Northwest Missouri State University. We are pleased to have Gene Gregory on board and look forward to the value his diverse background will bring to assisting our customers.

About KITAGAWA-NORTHTECH, INC.

KITAGAWA-NORTHTECH has expert engineers and consultants on staff to ensure every measure is taken to analyze and understand your solution needs for all lathes and turning centers. Through value-based programming and solution exploration, KITAGAWA-NORTHTECH delivers returns to the end user based on six-point objectives: reduced cycle times, reduced setup and downtime, reduced scrap, increased through put, increase in consistency and increased profits.
